

# This Has Been a Challenging Year

We would like to recognize the way your family has bravely met these challenges in the 2020-21 NBMS yearbook.

We need your photos to help us do this!

# The Pandemic

SINCE March of 2020 we have completely changed the way we work, go to school, run errands, and socialize.

How is your family doing?

We need photos of you and your family wearing masks or other safety gear, social distance gatherings, or going about our daily lives while following safety guidelines.

Please email your photos to [submit+1081309@edophotos.com](mailto:submit+1081309@edophotos.com) and look out for your photos in the yearbook!

# Fires and Evacuations

How was your family affected by our local fires early this Fall?

Did you lose power? Need to evacuate? Have a family member that was a first responder?

Any photos of you working while evacuated, ash covered yards, outdoor shots showing the dark brown sky in the middle of the day? All are welcome.

Send the photos directly to the yearbook with this email link: [submit+1081307@edophotos.com](mailto:submit+1081307@edophotos.com)

# Election

How closely did you follow the November Election?

For the Election section in our 2020-2021 yearbook we will need photos of anything related to the election with you in it please!

Please send photos to

# The Census

Did you know that 2020 is the year for all of people the people in the United States to be counted and that we do this in our country every 10 years?

For this page we'd like photos of you and all of the members of your household. If you see extended family over the holidays, be safe and take photos of your social distancing family gathering.
