

**You're working hard to keep up with your school work, but even school is not all work and no play.**

**— We Need Photos!**

The NBMS Yearbook Staff needs photos of your extracurricular fun activities that keep you going.

# Why we need photos

This year, the yearbook staff is unable to take photos to fill up our yearbook with meaningful memories. We ask that students contribute to this year's yearbook by taking fun photos and submitting them. This year may be different, but we can do it!
